WHO?

We are an award-winning group who blend the passionate music of Latin America with Classical instrumentation and virtuoso technique. Our international musicians all live in the UK. We can appear in a range of configurations, from a **trio** to a **sextet**.

WHAT?

We play Classical arrangements of **traditional Latin dances** – **salsa, rumba, bolero cumbia, pasodoble** – and **original compositions** inspired by our travels in South America. We work with promoters and venues to create bespoke programmes or sets, but every Classico Latino concert is **entertaining, lively** and **family-friendly**.

WHERE?

We have played on **Classic FM** and **BBC Radio 3**, at the **Canterbury Festival**, **London Jazz Festival**, **Saffron Hall** and **Nottingham Royal Concert Hall**, and on tour to **Belgium** and **Colombia**. Our latest album, **HAVANA CLASSIC**, was **runner-up Album of the Year** at the **2019 UK Latin Awards**.

AND...?

“A unique fusion of Latin and Classical with beautiful musicality”
UK LATIN AWARDS **“In Classico Latino the best of two musical worlds is perfectly expressed”** **ALFREDO DE LA FE** **“They got my attention from the very beginning and never lost it”** **LATINO MUSIC CAFE** **“Spiced-up Latin sounds played with a certain elegance...”** **SONGLINES MAGAZINE**
“Come back and bring the sunshine with you any time!” **BBC RADIO 3**
